

Breast Imaging Patients - Do you suffer from under breast soreness?

Information for patients

General Advice

If you suffer from under breast soreness please follow the advice below:

- Clean / wash the area at least three times per day
- Pat dry
- Wear a well fitted bra.

The following medication is available without prescription from your local pharmacy/supermarket. If in doubt ask the pharmacist.

- Canesten cream
- Sudocrem cream
- Daktarin spray powder
- Vagisil powder

If the soreness has not improved within 2-3 weeks, consult your GP who may be able to prescribe other medication.
