The plan is:

- For the stent to be removed
- For the stent to remain in place

Stents to be removed

We aim to remove your stent approximately weeks from now

If you do not hear from us about a date for removal of your stent by this time please contact the number below:

Endoscopy administration team:

(0113) 2068572

(0113) 3925577

Stents to remain in place

Patients with stents that remain in place will be followed up by the team that referred you for your stent placement.

Any enquires regarding on-going care should be directed to your consultant's secretary.

What did you think of your care?
