

What is a hoist?

Information for patients

Easy Read

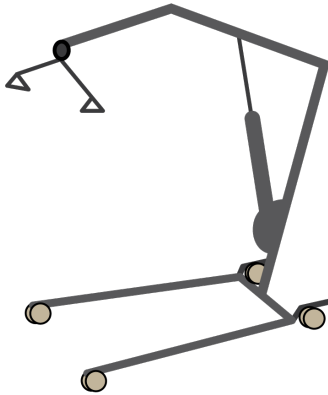

easy read

This booklet uses easy words and pictures.

You might want to ask someone to help you read it.

hoist

This a hoist.

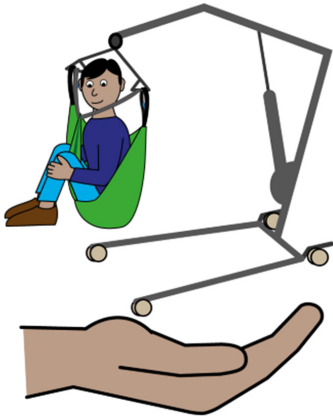

Hoists can be different shapes and sizes.

hoisting

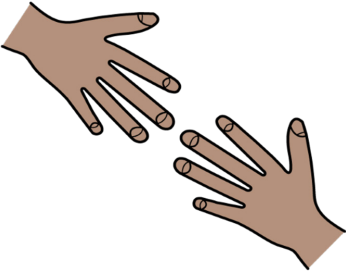

A hoist will help you to move from place to place.

safe hoist

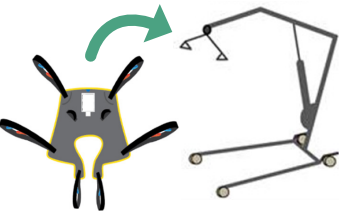

A hoist is very strong.

Staff will help you to sit or lie on a sling.

loop sling

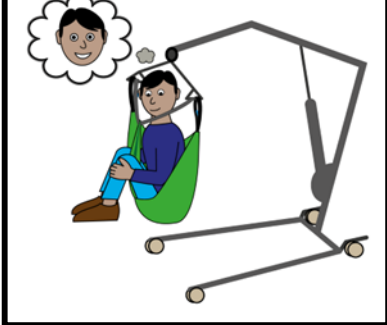

They will fix the sling to the hoist.

keep safe

They will make sure you are safe.

comfortable hoist

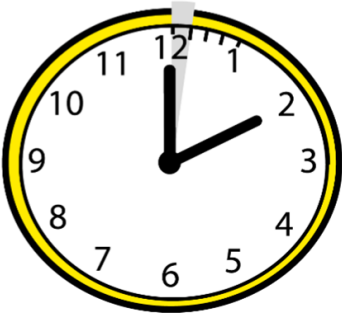

Try to sit back and relax.
The hoist will lift you up.

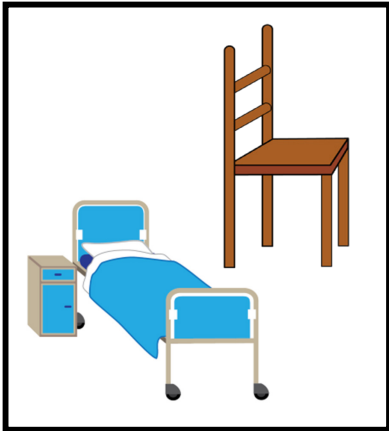

staff will help you to move to where you need to be.

2 minutes

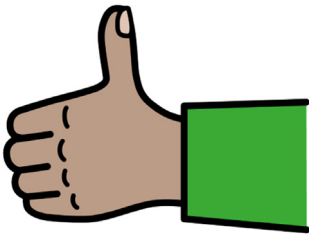

This will be quick.

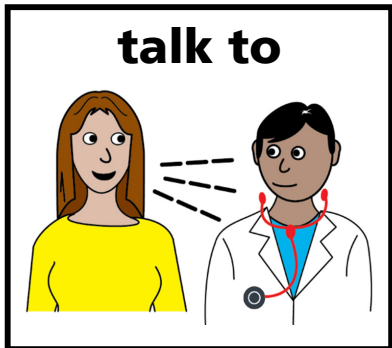

Then you will sit or lie down.

no pain

Staff will make sure you are ok.

talk to

If you have any questions, please ask the staff.
