Information for patients

**Easy
Read**

easy read

This booklet uses easy words and pictures.

You might want to ask someone to help you read it.

We have lots of leaflets about what happens in hospital.

Please use this QR code to see them on the website or ask our staff for them.

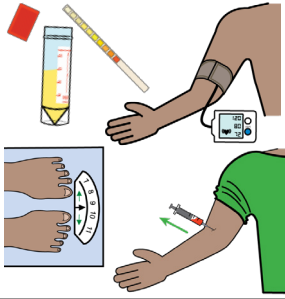

friendly staff

Our friendly staff want to keep you safe.

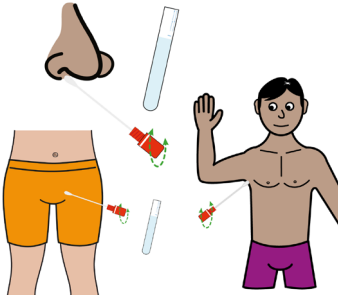

All our staff will be wearing name badges.

tests

Whilst in hospital we may want to do some tests to find out what is happening with your body.

swab

We may need to take swabs from your nose, armpit or groin to check if you have any infections.

medicine

We may need to give you some medicines to help.

therapy

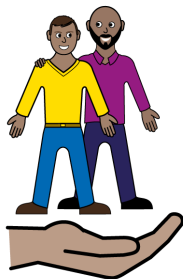

We may suggest some therapy.

Please ask our staff if you do not understand anything.

support

You can have someone with you for support.

sensory items

flowers

wash hands

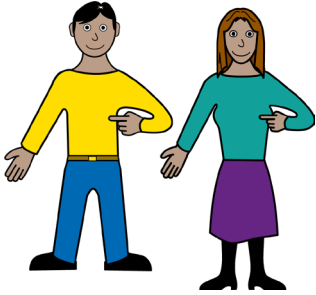

You can bring in some sensory and occupation items to help you manage in hospital.

Please only bring essential items.

To help keep the hospital easy to clean and safe, please do not bring flowers onto the wards.

Please wash your hands often when in hospital.
