

Digital Care Plans

Information for patients

**Easy
Read**

easy read

This booklet uses easy words and pictures.

You might want to ask someone to help you read it.

care plan

A care plan is where we write down how we are going to care for you.

keep a record

And where we record what we have done or what is happening.

care you need

They make sure you are getting the care you need.

the law

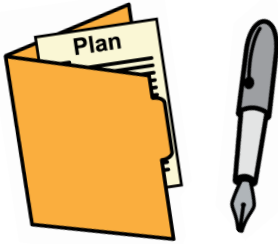

The Law says we have to record everything we do.

cared for safely

This makes sure your care is always safe.

paper plan

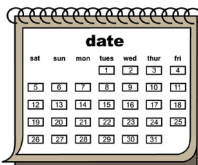

We used to write everything on paper.

computer

We are now recording some care plans straight onto a computer in your electronic health record.

up to date care

This is so they won't get lost.

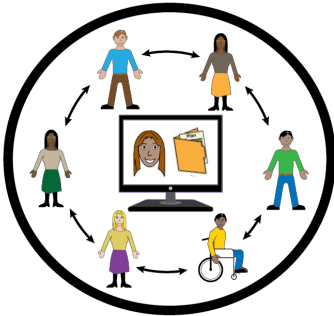

And we know we are always giving the most up to date care.

won't get lost

The information will be added straight to your record so won't get lost.

teamwork

Your whole team will instantly be able to see what is happening with you, on your electronic records.

better care

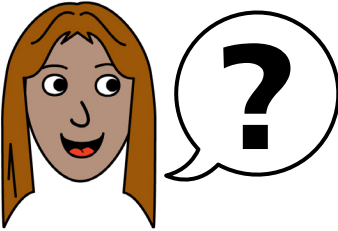

Better communication means better care.

better for environment

ask

hospital passport

This uses less paper so is better for the environment.

You can still be involved in recording some bits of your care.

Just ask the nurses.

If you have a Learning Disability or Autism diagnosis please complete a Health Passport and return it to the Learning Disability and Autism team on:

leedsth-tr.lidautism@nhs.net

What did you think of your care?
