

Being safe in hospital toilets

Easy Read

care for you

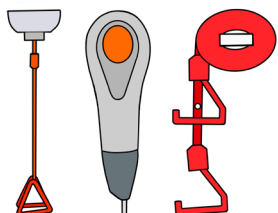

In hospital, we care about you at all times.

help you

You can ask hospital staff to help you to use the toilet at anytime.

call for help

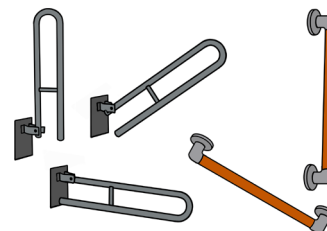

Use the call bell to ask for help.

unsafe toilet

If you spot any problems in the toilets, tell staff to avoid you falling.

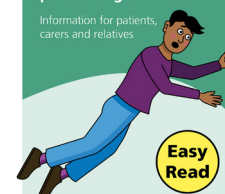

grab rails

Use the grab rails to help you move in the toilet to help keep you safe.

The Leeds
Teaching Hospitals
NHS Trust

Staying safe,
preventing falls
Information for patients,
carers and relatives

We have a leaflet about falls if you would like more information.
